5) I am not in favour of the proposal to start a mobile medical unit in Mysore City Such an institution does not exist even in larger and more congested cities, like Bombay, Madras or Calcutta

6) I, however, appreciate the need for better arrangements being made in the matter of medical relief to the poor people living in slum areas in Mysore City A more equitable arrangement would be to shift the Narasimharaja Mohalla Dispensary to a place which is more centrally situated and which would be easily accessible to those living in slum areas, and to give itineration to the Sub Assistant Surgeon in charge of this dispensary for five days in a week Perhaps an extra Sub Assistant Surgeon and a compounder be attached for this purpose

Re - Starting of a mobile medical unit in the City

In continuation of this office letter of even number dated 29th July 1942 regarding the starting of an Itinerant Dispensary in the City, I have the honor to state that as already reported in para 2 of the letter, the Health Officer's note together with the Committee's resolution was placed before the Municipal Council on 29th August 1942 when they approved of the proposal to start a mobile medical unit in the City and resolved to work out further proposals in consultation with the Senior Surgeon A copy of the Resolution is enclosed

As one of the important requirements for starting

a mobile dispensary was a transport and recently a van admirably suited for being converted into a mobile dispensary had been purchased by the A R P for hauling the Trailor Van at a cost of Rs 1250/- a proposal to purchase this by the Municipality and to meet the cost of haulage and to appoint a staff thereto was placed before the Municipal Council at their Special General Meeting held on 7th October 1942 In their adjourned meeting held on 31st October 1942, the Council resolved as under -

"The A R P Van referred to in the President's note which is quite suitable for the above purpose may be purchased The Establishment referred to viz Driver on Rs 20-1-25, Cleaner on Rs 12/- and one Compounder is also sanctioned It is presumed that the pay of the Sub Assistant Surgeon or Assistant Surgeon, will be met by Government "

In view of the above resolution, the proposal to entertain the medical staff required to run the dis pensary will be submitted separately through the Senior Surgeon I request you therefore kindly to obtain sanction of Government for purchasing the Van for Rs 1250/- plus haulage charges and to appoint a Driver on Rs 20-1-25 and a cleaner on Rs 12/- per mensem thereto, the cost on this account being met

out of the lumpsum allotment of Rs 3,000/- made in the current Budget under E 3(a) I may add that a separate van will be purchased by the A R P for hauling the Trailor Unit and the purchase of the this and the maintenance by the Municipality of a Mobile Dispensary unit would itself be a great advantage to the A R P

His Highness the Maharaja of Mysore,
Bangalore

Sir,

Subject - Starting of a Mobile Medical Unit in the Mysore City

---

I have the honor to forward herewith a copy of resolution No 548 dated 31st October 1942 regarding the above and to state as follows -

In view to affording medical relief to the sweepers and poor people living especially in slum areas in the Mysore City and also to have an itinerant dispensary for the benefit of the citizens of Mysore especially during local epidemics, the Municipal Council decided in July 1941 to entrust the running of the Dispensary at Narasimharaja Mohalla to the Sacred Heart Mission and to transfer the dispensary staff to the Municipal Itinerant Dispensary

to be started As the Sacred Heart Mission authorities pleaded their inability to run the Dispensary in Narasimharaja Mohalla the question of shifting was dropped, but the Municipal Council in their meeting dated 20th August 1942 called for detailed proposals to open a mobile dispensary in consultation with you

2. The Health Officer who was asked to submit proposals submitted a note (copy enclosed) and this with my note was placed before the Managing Committee, which approved of the same and this was placed before the Council at its meeting held on 31st ~~November~~ October 1942, the Council approved of the purchase of the lorry and also the necessary establishment viz one driver one cleaner for the lorry and one compounder for the dispensary and the Council presume that as usual the pay of the Sub Assistant or Assistant Surgeon would be met from Government the charges for Europe and country medicines will also be met as in the case of other dispensaries In accordance with the above resolution, sanction of Government has been sought for to purchase the lorry and to appoint the staff

thereto (vide letter copy enclosed) I may add that the Municipal Council have provided a sum of Rs 5,000/- in the current year's budget for opening Itinerant Dispensary As usual the cost of Europe medicine may be met from Government

In the circumstances I request you kindly to recommend to Government to sanction, the proposal for opening an itinerant dispensary in the Mysore City and take early action to post a Sub Assistant Surgeon or preferably a Hospital Apprentice thereto

I have the honour to be,
Sir,
Your most obedient servant,
